Roshna M,

Junior System Analyst,

Technical Higher Secondary School, Adoor,

To,

The Director, IHRD

IHRD Head Quarters ,Chakka

Trivandrum

(Through proper channel)

Respected Sir

I am writing to inform you about my recent promotion to the position of Junior System Analyst at the Technical Higher Secondary School, Adoor, as per the order No. IHRD/153/2024-EB2, dated 18.12.2024. I deeply value and appreciate the recognition of my work and the trust placed in me through this promotion.

However, I regret to inform you that, due to my severe health challenges, I am unable to travel or relocate to Adoor for this new position. Over the years, I have undergone 5 significant surgeries, including:

Cholecystectomy, followed by a Laparotomy 1.5 months later due to severe complications,

Thyroidectomy,

Cesarean, and

Total Abdominal Hysterectomy (TAH) performed under spinal anesthesia.

These procedures have resulted in a significant deterioration of my liver health, and I now find it extremely difficult to travel long distances or relocate due to the strain it would place on my condition. I have attached the relevant medical documents for your kind reference, which outline the severity of my health status.

Given these circumstances, I humbly request you to consider me for the vacancy of Junior System Analyst at the **College of Engineering, Attingal**, where I can continue to serve in my capacity without the need to relocate. I am fully committed to my work and would appreciate any accommodations that can be made to ensure my continued contribution to the institution, taking into consideration my health limitations.

I sincerely hope for your understanding and consideration of my request, and I remain available for any further discussions or clarifications on this matter.

Thank you for your time and attention to this request.

Your Sincerely

Roshna M
